

How to Set-up Payee for BSP to M-PAiSA or MyCash wallets.

For BSP Online Banking or App Users

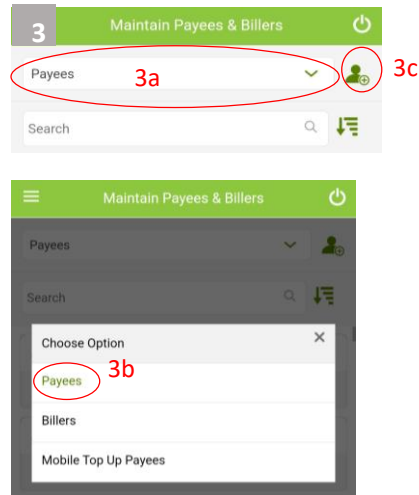

Type in your Username and Password. Select **Login** to continue.

2a click the drop down menu

2b Select Management & Maintenance

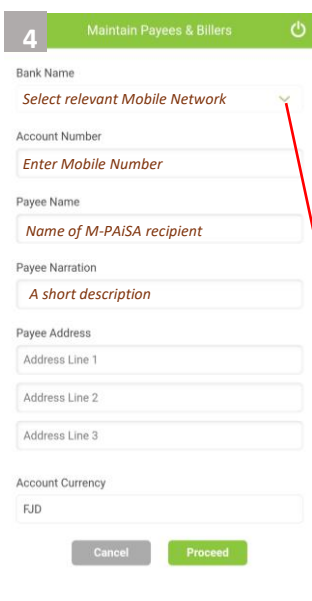

2c Select Payees & Billers to "Create a Payee".

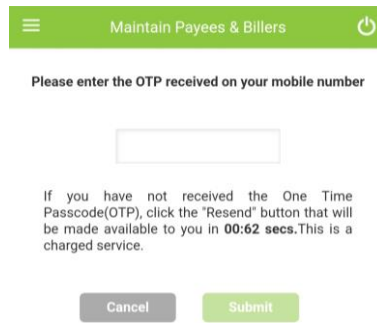

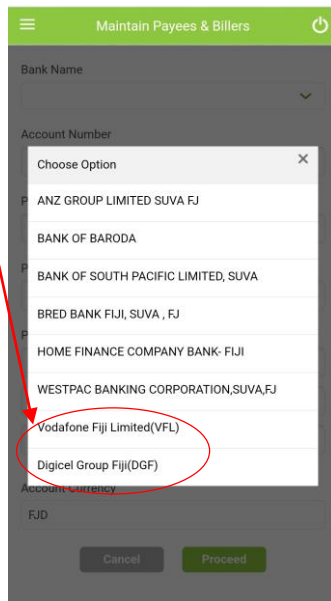

3a Ensure that this field shows "Payees". If not, click the down arrow

3b Select "Payees"

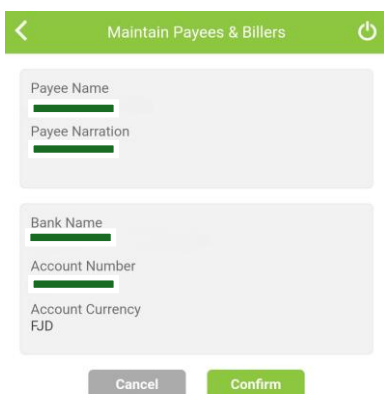

3c Click this icon to create a new Payee

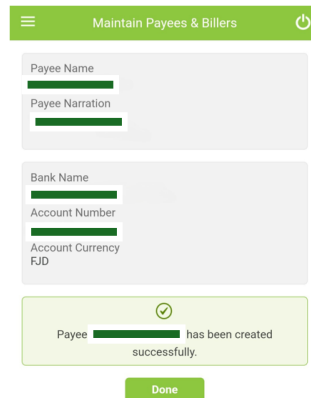

Fill in the fields as shown above and click 'Proceed'.

A **One Time Passcode** will be delivered to customer's mobile number that's reflecting in their current BSP records. Without that, this process cannot be completed and customer must visit a nearest BSP branch for assistance.

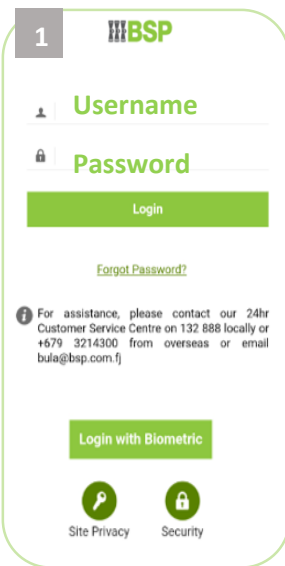

Click 'Confirm' if the details displayed are correct

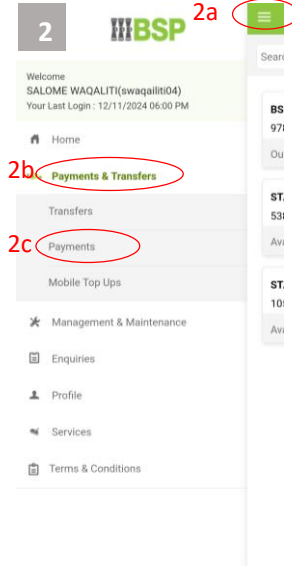

Once set up is complete, return to menu to proceed with "Payment to this Other Bank Payee".

How to make Payment from a BSP account to an M-PAiSA or MyCash wallet.

For BSP Online Banking or App Users
