## **BSP** spreads Christmas cheers to communities

BSP Country Manager Kevin McCarthy with children and parents from Korokoro Settlement

The BSP Christmas bus at the Suva Central Building loading bay before the Christmas Charity visitations to the Western and Central Division from December 16-19th, 2014.

CHRISTMAS came early for many under-privileged families in settlements out West when BSP Country Manager Mr. Kevin McCarthy showed up unexpectedly at their doorsteps just days before Christmas.

As part of its Annual Christmas charity program, a BSP delegation led by Mr McCarthy travelled to many different sites onboard a bus that carried the message "Christmas with BSP" and delivered goodies to many communities, customers and children.

A BSP Christmas choir led by Rain Project founder, Elena Baravilala, also accompanied the BSP staff. The team surprised communities with carol singing topped with surprise giveaways. Families received back to school packs and a grocery hamper which contained flour, rice, sugar, canned foods, Christmas cake, ovaltine, powdered milk, cooking oil, salt, dahl and soft drinks.

The lives of hundreds were touched by this goodwill gesture and these included families that lived in Korokoro Settlement along the Sigatoka Valley, Saravi settlement surrounded by cane fields in Nadi and Veiraisi Settlement in Nadawa.

Reverend Shailendra Kumar spoke at the Korokoro settlement to shed some light on the realities of life for people there. "All families survived on subsistence farming while holding onto other casual jobs for extra income.

"We live with what we have here and farming is limited since we are on mataqali owned land. I was really surprised when I received a call informing me that the head of BSP in Fiji was coming himself to give us groceries,' said Reverend Kumar.

"I know that this bank has done a lot of community work, but this is a step further and I thank Mr. McCarthy and his team for this gesture because this for me is God's work – to help the less-fortunate in society" added Mr. Kumar.

BSP's Christmas Charity & Rewards program has been received very well by people. "We're always trying to respond with help where we see the need," said BSP Country Manager, Mr. McCarthy. He was speaking while travelling with his BSP team of Christmas helpers onboard a 53 seater bus that carried food packs, back to school packs, the Rain Project Christmas caroling choir and more.

"It is always humbling to witness how people within our very own communities are getting by and living life to the best of their abilities. I am amazed by their resilience and this Christmas, we are reaching out to a few of these communities who could really do with a little boost from BSP," explained Mr. McCarthy.

BSP's Christmas program featured the visitation of 3 settlements that had more than 200 households, 8 supermarkets, 7 ATM sites, 7 branches and patients at a hospital.

## BSP family commits \$20,000 to WOWs

Members of the BSP Family also took time out to join the WOWS walk from Nakasi to Sukuna Park on October 18th, 2014.

The pain of watching a loved one fight the battle against cancer daily is perhaps one of the most trying experiences one can go through.

Fiji has the highest cancer rate in the Pacific. In the past 10 years, this disease has claimed the lives of 5,900 according to the World Health Organisation.

Most forms of cancer are treatable in Fiji, but the challenge according to the Ministry

of Health is early detection, availability of resources to treat it and its affordability.

This year, the company and staff of BSP jointly raised funds which led to the donation of \$20,000 towards WOWS Fiji and Fiji Cancer Society. This donation was the result of two different initiatives envisaged to touch the lives of children and patients with cancer across Fiji and the South Pacific.

"its heart wrenching to see someone you truly love and respect enduring so much pain..."

In a heartwarming gesture of true humanitarianism, members of BSP staff engaged in a fundraising drive. BSP staff led by example in the "Save it or Shave it" campaign which saw BSP Human Resources staff Emmanuel Fisher volunteer to become the Bank's ambassador for cancer awareness.

Mr Fisher experienced firsthand the effects of cancer after losing his own grandmother In his own words, "its heart wrenching to see someone you truly love and respect enduring so much pain while you stand by powerless to reverse the situation. All we could do was make life as comfortable as possible."

The WOWS Walk 2014 also proved to be very special and memorable event covering 462 kilometres around Viti Levu across 13 days with BSP bringing 90 walkers to cover the final 18km from Nakasi.

BSP also funded the production of merchandise that was sold by WOWS Fiji to raise funds. Family members of staff also joined the walk to support the cause. BSP made the following contributions to WOWS Fiji in their 2014 campaign:

- 1. \$5,330 cash donation by BSP staff
- 2. \$5,330 "Dollar for dollar" donation by the company
- 3. \$1,381 to Biggest Morning Tea fundraiser donated to Fiji Cancer society.
- 4. 280 T-Shirts branded WOWS & BSP
- 5. 70 BSP staff and their families participated in the walk
