3 THE CARD

3.1 General Information

Cards will be issued up to 10 business days after an application for the Facility is approved and processed. After a Card is issued it becomes activate only if it has been used during the validity period, our agreeing to process a transaction to your account and creating a PIN for your Card.

Any Card that is no longer valid, cancelled or the account closed must immediately be destroyed by cutting the Card through the magnetic strip and the chip. You must securely dispose the pieces.

A Cardholder’s PIN may be four to six digits selected by you at the branch. A Cardholder has the option of changing their PIN to one of their own choice at any time by visiting a BSP Branch. A PIN is effectively an electronic signature that cannot be forged. You agree to promptly notify us of any change to your name, address or phone contact. Failure to do so may affect your ability to process transactions.

We may issue a new Card at any time. We also reserve the right not to re-issue or replace a Card.

3.2 Opening an Account

We can choose to open a new Account in your name for the purpose of this Credit Card Contract. If we do this, we can:

- issue a new Card and additional Cards
- require you to return your Card and all additional Cards issued on the first Account
- require you to cancel any periodic debits or subscriptions to the first Account
- transfer any amount you owe on the first Account to the new Account
- close the first Account and

- if amounts are charged to the first Account after we have opened the new Account, debit those amounts to the new Account.

If we open a new Account under the above clause, this Credit Card Contract continues to apply with the new Account replacing the first Account.

3.3 Credit Limit

Your Credit Limit is set out in your Letter of Offer and is for your account. There is no separate limit for additional Cardholders linked to an Account. You may visit any loan officer to increase or amend your Credit Limit.

You must operate your Account with a credit balance or with a debit balance within your credit limit. We can allow a temporary increase in the credit limit for a specified period. If we do, then at the end of that specified period:

- The credit limit reduces to the original credit limit;
- You must immediately make a payment to reduce the debit balance within that original credit limit.

3.4 Property in the Card

Each Card we issue to a Cardholder remains our property at all times. A Cardholder is required to return the Card to us:

- (a) at our request;
- (b) when a Card is cancelled;
- (c) when a Cardholder Account is closed;
- (d) when the Facility is terminated

3.5 Cardholders

The Account Holder can request that a Card bearing a distinct Card number be issued for your Account and will bear the name of the Cardholder. Requests from the Account Holder shall be written and should clearly state the credit limit applicable to each Cardholder and this should not exceed the assigned credit limit.

The Account Holder shall ensure due care is observed when applying for a Card and indemnify the Bank against any loss, damage, expense, liability or claim arising from any error, mistake, negligence or fraud on the part of Account Holder and Cardholders.

Cardholders may perform transactions, obtain information regarding their Card and/or obtain service on their Card by telephone, in writing or via BSP Online PLUS.

4.1 How to use the Card

The Card can be used on Electronic Banking Terminals throughout Fiji and overseas wherever the VISA Credit card logo is displayed.

The Card details can also be used on the Internet or over the phone for Card Not Present transactions. This process may require a One Time Passcode (OTP) to complete your purchase.

When making a purchase at an Electronic Banking Terminal the Cardholder should ensure that the transaction amount is correct before touching their Card, inserting their Card and or entering their PIN; signing; or consenting to authorise the transaction.

4.2 Daily limits on withdrawals and purchases

The Bank determines the daily and monthly spend limits for each Cardholder for any electronic transaction using the Card. The daily and monthly spend limit for each Card is subject to our approval and we may change it for a particular Card at any time. These limits are available at www.bsp.com.fj/ExchangeControlLimits

Some Merchants and non-BSP ATMs may impose limits and certain restrictions. We do not have any control over these imposed limitations and we are not responsible for any loss, damage or cost you or your additional Cardholders may incur as a result of these limitations.

4.3 Using your card overseas

(i) Usage

Your Card should be used for business purposes only. In no event, shall the Card and or the Account be used for a transaction that is illegal under any applicable Law.

You are required to inform the Bank if you intend to use your Card abroad. You may do so by visiting any Branch or contacting our Customer Contact Centre.

(ii) Regulatory requirements

Use of the Card to pay for goods and services outside of Fiji is considered an overseas remittance. Under the Exchange Control Act 1950, the Reserve Bank of Fiji Act 1983 and Income Tax Act 2015 (as amended from time to time),

- there are Balance of Payment reporting requirements which must be satisfied.
- business entities (and individuals) are prohibited from remitting overseas more than FJ \$120,000 per calendar year (or such other lesser limit as may be imposed by Law) for non-import payments without a Tax Clearance Certificate.

As such we are obligated to; monitor Card usage, make enquiries into remittance activities, request supporting documentation, and ensure the timely completion and lodgement of prescribed forms. More information and changes to these requirements can be found on <https://www.rbf.gov.fj>

Failure to comply with the above could result in your Card services being suspended or withdrawn.

Please contact Customer Contact Centre should you have any questions in this regard.

(iii) Currency Conversion and Transaction Fees

These fees apply to your account for transactions made overseas. Details of the foreign transaction fees are provided in your Credit Card Contract. If the amount of the transaction is more than your available balance, the Transaction may be rejected and no fees will be charged.

(iv) Surcharge

A surcharge fee may be imposed when using another Bank ATM and/or EFTPoS terminal to make a cash withdrawal or purchase goods. Where applicable, you will be prompted by the ATM or advised by the merchant of the surcharge fee to either accept the fee or cancel the transaction. Surcharges will not appear as a separate item on your Account statement, but will be included in the total transaction amount shown.

(v) Exchange Rates and Conversions

VISA will convert all foreign transactions into Fiji currency in accordance with its rules. Transactions incurred in a currency other than FJ Dollars will be first converted to US Dollars then to FJ Dollars which we debit to your Account and reflected in your Statement of account. Conversion is managed by VISA Credit Card International Incorporated. The conversion rate used is a wholesale market rate.

Some cross-currency transactions from overseas may be different from the amount that was originally authorised. This difference may be due to fluctuations in currency conversion rates between the date of authorisation and the date that the transaction is settled.

Foreign exchange rates quoted by BSP may not be used to convert foreign transactions made in foreign currency to Fiji

dollars.

(vi) Refunds

In most cases, the conversion rate applied to refunds of a transaction will be different to the conversion rate applied to the original transaction. This may cause a difference from the amount that was originally authorised.

Any refund to you by a merchant is a matter for agreement between you and the merchant only. We are not responsible for any refund unless the Law says we are.

If a merchant gives you a refund, we will credit the Cardholder's account only when we receive the completed refund instruction from the merchant.

4.4 Using the Card at Merchants

The Card will normally be accepted for the purchase of goods and services at any Merchant displaying the VISA logo.

Depending on the Merchant and Card limits, a Cardholder may also be able to withdraw cash in addition to the purchase.

The fact that the VISA logo is displayed by any Merchant is not a guarantee that all goods and services available at the Merchant can be obtained using the Card. Unless otherwise required by Law, we do not accept any liability:

- If any Merchant displaying the VISA logo refuses to accept the Card.
- for goods and/or services purchased using the Card.
- If any Merchant or another financial institution imposes limits or conditions on the use of your Card. You must deal directly with the financial institution or merchant on this.

Any complaints about goods or services purchased using the Card must be resolved directly with the Merchant concerned.

4.5 Using the Card on ATMs in Fiji

We may allow the Cardholder to access cash through ATMs based on the appropriate limits you choose when applying for the Card.

The Card may be accepted at any ATM displaying the VISA logo. Depending on ATM functionality, the Cardholder may be able to use the Card to withdraw cash or make a balance enquiry.

ATMs may have different transaction limits to the Card limits. This means Cardholders may have to make two or more transactions before the Card's daily limit is reached.

We are not responsible if a financial institution refuses to accept the Card. You are not entitled to treat any promotional material

displayed on any premises as a statement by us that you can use your Card, unless the Law says otherwise.

4.6 Using the Card at ATMs outside Fiji

VISA is a worldwide ATM network through which Cardholders can access cash by using their Card.

To access cash at overseas VISA ATMs, select the 'credit' option (when the option is available). Where the VISA ATM has no account selection facility, the ATM will automatically select the Cardholder Account if the Cardholder proceeds with the transaction.

We are not responsible if a financial institution refuses to accept the Card. You are not entitled to treat any promotional material displayed on any premises as a statement by us that you can use your Card, unless the Law says we are.

5.6 Card cancellation

We may cancel and/or place a stop on any Card at any time with or without notice to you if we believe that continued use of the Card may cause a loss to either the Account Holder or us.

Once a Cardholder is notified of the cancellation, a Cardholder must not use the Card. The Cardholder must destroy the Card by cutting it through the magnetic strip and the chip.

The Account Holder or any Cardholder may contact us to cancel their Card at any time by completing the prescribed form and/or contacting our Customer Contact Centre using contact details at the end of this document.

We will also cancel a Card if the Account Holder closes the Account.

This form must be lodged at any BSP Branch or by contacting BSP using the contact details at the end of these Terms and Conditions. A new PIN will be issued together with your replacement Card.

6 THE CHARGES

6.1 Fees and Charges

The fees and charges you must pay under this Credit Card Contract are:

- The credit fees and charges disclosed in your Credit Card Contract and Lending & Credit Card Brochure.
- Any applicable government charges
- Other fees & charges.

We reserve the right to impose fees and charges for the provision and operation of the Card. These fees and charges are available through a link at <http://www.bsp.com.fj/Personal-Banking/CreditCards>

We may waive fees under certain conditions. If we do waive a fee or stop collection of a fee to which we are entitled, we have not

waived our right to collect that fee at a future time.

6.2 Interest Charges

General

We calculate these interest charges on a daily basis by applying the daily percentage rate to each of these amounts unpaid at the end of each day.

We can change these reference rate or rates and any annual percentage rate by other means. We divide the annual percentage rate by 365 to get a daily percentage rate.

How we calculate interest charges

Unless an amount is interest free, we calculate interest charges on amounts for:

- Purchases
- Interest on purchases
- Fees related to purchases
- Cash advances
- Interest on cash advances
- Fees related to cash advances and or transfers using BSP Online PLUS
- Joining and annual Card fees
- Other fees and charges other than the described fees and charges mentioned above
- Enforcement expenses

In each case from the date we debit each amount until the date it is paid in full.

Interest free

If your Card facility is an “up to 55 day” Card facility we will not charge interest on:

- Purchases
- Fees related to purchases
- Joining and annual Card fees
- Other fees and charges other than the described fees and charges mentioned above
- Enforcement expenses debited to your account during a statement period where:
 - o The interest free conditions apply to the statement of account to which that period relates; and
 - o The closing balance shown on the Statement of account to which that statement period relates is paid in full on or before the due date shown o that statement of account.

The interest free conditions apply to a Statement of account when either that Statement of account is the first Statement of account sent or the closing balance shown on the previous Statement of account is zero or in credit or is paid in full by the due date shown on that previous Statement of account.

Credit balances

If, at the end of any day, the Account has a credit balance, we do not calculate interest charges for that day and we do not pay you interest on that balance.

When we debit interest charges

We debit interest charges to the Account monthly on each statement date. The amount we debit is:

- i. if your Card facility is an “up to 55 day” Card facility and the interest free conditions apply to that statement of account.
- ii. interest charges calculated on cash advances debited to your Card account. The interest charge is charged by applying the daily percentage rate. There is no interest free period for cash advances.
- iii. Otherwise:
 - o interest charges calculated on purchases, cash advances, fees and charges and enforcement expenses for each day in the statement period to which that statement of account relates; plus,
 - o if your Card facility is an “up to 55 day” Card facility and the interest free conditions apply to the previous statement of account but the closing balance shown on that previous statement of account was not paid in full by the due date shown on that previous statement of account.

We can also debit interest charges which have been accrued but not yet debited, when you or we cancel the Card facility or when we close the first Account.

6.3 Government Charges

The Account may be required to be charged with amounts due to revenue authorities or local/foreign agencies. These may be subject to Law and/or under agreement with such authorities.

7 TRANSACTIONS

7.1 Authorised Transactions

The Account Holder must ensure each Account has sufficient funds or credit limits in place to cover transactions performed using the Card. All transactions will need to be authorised by us before they can proceed.

For example, if a Cardholder uses their Card to purchase goods or services, prior to any transaction being completed, the merchant involved in the transaction may obtain an authorisation for the transaction.

The purpose of this authorisation is to confirm that there are sufficient funds available for the transaction. This authorisation may be completed at a later time such as for hotel accommodation and car hire.

We reserve the right to refuse a transaction done using the Card if:

- there are insufficient funds in the Account to cover the transaction.
- we have received an authorisation request for a transaction where the merchant category code provided with the transaction authorisation request that is recognised as gambling services.

The Cardholder agrees that we can debit the Account for all transactions done using the Card.

The Cardholder can authorise transactions by:

- (a) using the Card alone or together with the PIN; or
- (b) presenting the Card to a Merchant and signing a voucher or other documentation acceptable to us authorising the Transaction; or
- (c) providing the Card Details to a Merchant to whom payment is to be made.

When the Cardholder authorises a transaction, the Cardholder confirms the validity of the transaction. Once the authorisation is obtained, it will reduce the amount of available funds in the Account.

7.2 Mismatched authorisations

Some Merchants may request confirmation that there is sufficient funds in the Account to meet the anticipated cost of goods and services they will supply (this is a common practice in hotels and car rental companies).

We treat this request as a 'request for authorisation'. Once the authorisation is made, the available funds are reduced by up to the amount anticipated by the Merchant. This means the current balance may not indicate the correct amount until the authorisation is cleared and the Account Holder may find they have reduced funds in the Account.

When the goods and services have been supplied the Merchant may request a subsequent authorisation for the actual costs. This may have the effect of reducing the available balance further by the sum of two authorisation amounts.

7.3 Delayed authorisations

Transactions performed using the Card may take a number of days to be processed and charged to the Account. If we gave an authorisation for the purchase or payment, the current balance may be greater than the available balance. Please consider this whenever reconciling the account statement and note we will only approve transactions against your available balance.

7.4 Recurring Transactions

The Cardholder may at any time authorise a Merchant to process recurring transactions on the Account by providing the Card Details. We are not able to cancel a recurring transaction the Cardholder sets up with a Merchant unless the Cardholder cancels the authority with the Merchant and the Merchant agrees to the cancellation.

To cancel such an authority, the Cardholder must notify the Merchant in writing at least 15 days before the next transaction is due to be processed. If the Merchant does not comply with the Cardholder's request to cancel the authority, the Cardholder must:

- send us a copy of the correspondence to enable us to dispute the relevant transaction or
- request for Card to be cancelled by the prescribed form and a new one issued.

7.5 Reversing a Transaction

A Cardholder may be entitled to reverse a transaction (charge back) where the Cardholder disputes a transaction made on the Card by a Merchant.

If we are satisfied that a Cardholder is entitled to reverse a transaction, we will credit the Account for the amount initially debited for the transaction.

You or the Cardholder must immediately notify us of a disputed transaction. There are time limits imposed by VISA Scheme operating rules and if the Cardholder does not notify us within these time limits, we may not be able to reverse a transaction and the Account Holder may be liable for the transaction.

7.6 Liability for Unauthorised Transactions

You are not liable for losses resulting from Unauthorised Transactions where:

- (a) it is clear that the Cardholder did not contribute to the loss;
- (b) it is caused by the fraudulent or negligent conduct of our employees or agents or Merchants;
- (c) it occurs before the Cardholder receives the Card;
- (d) it occurs after we have been notified by the prescribed form, of a security issue with the Card and PIN;
- (e) it is a result of the same transaction being incorrectly debited more than once to the same Account.

You will be liable for actual losses resulting from Unauthorised Transactions caused by a Cardholder if:

- (a) you or the Cardholder will be liable for losses resulting from transactions which are carried out by the user or by a third party with the Account Holder's consent and knowledge.
- (b) you or the Cardholder unreasonably delay notifying us of the security issue with the Card and PIN;

- (c) you or the Cardholder engage in fraud;
- (d) the Cardholder voluntarily provided their Card and/or disclosed their PIN to someone including a friend or family member; or
- (e) the Cardholder fails to protect the Card and PIN.

7.7 Verified by VISA transactions

You are not able to reverse a transaction authenticated using Verified by VISA unless BSP is liable as provided in your Electronic Banking Terms & Conditions.

7.9 Pooling

Where pooling of transactions for two or more Cardholders is required under your Facility, this will be achieved by setting up a VISA Credit card Expense Account that automatically sweeps funds to each Account to cover transactions performed.

You must have sufficient funds or credit available in the VISA Credit card Expense Account to cover transactions performed by Cardholders.

This arrangement allows you to centralise funding for all Cardholders and provides a consolidated bank statement that gives an overall view of expenses incurred by all Cardholders.

VISA Credit card Expense Account(s) and Account(s) shall have no direct linkage to your main business account(s) through such

pooling arrangement.

7.10 Transaction Limits

The Bank or another party such as a merchant may limit the amount of any electronic transaction you can make in a day or a month. We can change any electronic transaction limit or impose new limits by giving you notice. You can call our Customer Contact Centre to enquire on these limits or visit our webpage www.bsp.com.fj

7.11 Anti-Money Laundering and Counter-Terrorism Financing Obligations

Please be advised that we are committed to our legal obligation to adhere to all applicable Anti-Money Laundering/Counter Terrorist Financing requirements, including a full “Know Your Customer” or other equivalent due diligence process in respect of the Cardholder.

Please note that:

- transactions may be delayed, blocked or rejected if we have reasonable grounds to suspect that the transaction:
 - o may breach any Law in Fiji or any other country.
 - o BSP and its correspondents are not liable for these transactions or any loss you may incur.
- BSP may require information/or documentation or carry out due diligence exercises from time to time.
- BSP will maintain records of prescribed information and/or documentation; and
- We will submit reports to regulatory authorities, where and when applicable.

BSP shall have no liability to the Cardholder in instances where the Cardholder is required to report information regarding the Cardholder to applicable governmental, regulatory and/or Law enforcement authorities in Fiji or other countries.

BSP may decide to terminate the Credit Card Contract or cancel the card due to breaches of regulatory requirements; suspicion of Money Laundering/Terrorist Financing (ML/TF) activities or fraud or where the continuation of this Credit Card Contract has the potential to negatively impact BSP’s reputation.

If you have any other credit contracts with us and you make a payment to us, then if you do not tell us in writing how the payment is to be applied, we can apply the payment to any one or more of those credit contracts in any way we think fit.

We decide how we apply payments and other credits to the Account. Currently, we apply payments in the following order to unpaid amounts that have been debited to your credit card account:

- Unpaid government charges that have been shown on a Statement of account (in any order we determine);

- Unpaid credit fees and charges and other fees and charges that have been shown on a Statement of account (in any order we determine);
- Unpaid interest charges (in any order we determine)
- Unpaid cash advances that have been shown on a Statement of account (in any order we determine);
- Purchases that have been shown on a Statement of account (in any order we determine);
- Cash advances that have not yet been shown on a Statement of account (in any order we determine).
- Purchases that have not yet been shown on a Statement of account (in any order we determine);
- Credit fees and charges that have not yet been shown on a Statement of account (in any order we determine);
- Government charges that have not yet been shown on a Statement of account (in any order we determine).

9.2 Payables Due

You are required to pay the full amount of the closing balance stated in your Statement of account by the given due date.

Over the limit amounts need to be cleared immediately. The due date for all Accounts is 26 days from the statement date.

9.3 How to make payments

You can make payments to your Account by:

- making a deposit (cash or cheque) at any BSP branch.

It is important that where a Account is to be closed, the Cardholder informs the Merchant or other Third Party where a standing authority has been set up that the Account will be closed. We are not liable for any loss, claims or liability you or the may incur as a result of the Account closure.

When a Card is cancelled, the Card must not be used. The Card should be destroyed and returned to us. Any amount owing by you will be regarded as debt due and payable by you to us.
